Team Longball's humble upbringings and our never-ceasing thirst for discovery are fueling the climb of the Longball line.

We sharpen our vision and remember where we came from...

ABOUT

A Canadian brewed company inspiring athletes around the world to work hard and play harder. Our uniquely designed performance apparel and accessories promote this lifestyle before, during and after the game.

We created Longball out of a passion for golf and the lifestyle that goes along with it.

After watching friends and family turn professional and chase the dream on tour, we figured: What better way to stay connected to those closest to us, than by designing the clothes that they wear while pursuing excellence and grinding it out on the course? With open minds and a desire to break the mold, we have created Longball, a brand built on a foundation of high quality and nonstop performance.

We strive to keep you looking good and feeling good, from the 1st tee to the 19th hole Team LB's

humble upbringings and our never-ceasing thirst for discovery are fueling the climb of the Longball line. We have sharpened our vision and remember where we came from there is no telling what heights we will reach. Thank you to everyone that has supported us.

- Team Longball
